Subject: Public Support – Curbing Recent DUI Based Activity

The Haines Borough Police Department is asking for public support in addressing recent trends in drunk driving with in our community. The statistics below show that the number of DUIs have increased annually since 2016. Test results for the five most recent DUI arrests show extremely high Blood Alcohol Content, three (3) and four (4) times the legal limit of .080 BrAC%.

In bringing this to the public's attention, it is our intention as Police Officers to support responsible consumption as well as responsible and educated decision making. If you plan to drink, please have a plan for a sober ride home.

If you see someone about to drive that you believe is impaired and you don't wish to intervene or are concerned for your safety, be a good witness. Provide the vehicle make and model as well as a direction of travel to local law enforcement.

Our first responsibility as drivers is to operate our motor vehicle safely. Our responsibility as Police Officers is to ensure a safe community. We ask for your help.

Respectfully,

Chief Heath Scott
